On January 25, 2019, Congress enacted, and the President signed, legislation providing appropriations up to and including February 15, 2019. That action permits Department of Justice attorneys to resume their usual civil litigation functions. Therefore, the government requests that the Stay be lifted and, pursuant to the Court's January 3, 2019 Order, Dkt. 14, files this Status Report.

Respectfully submitted:
